

**UPM**  
UNIVERSITI PUTRA MALAYSIA  
DARI ILMU BERDAKT

Welcome

# Effective remote teaching with Google Meet and Google Chrome Extensions

Organised by  
Centre of Academic Development (CADe) &  
UPM Teaching and Learning Innovation  
Committee (JKIPP)

**Dr. Chong Chou Min**

*Affiliation:*

Faculty of Agriculture,  
Universiti Putra  
Malaysia

*Field of expertise:*

Immunology

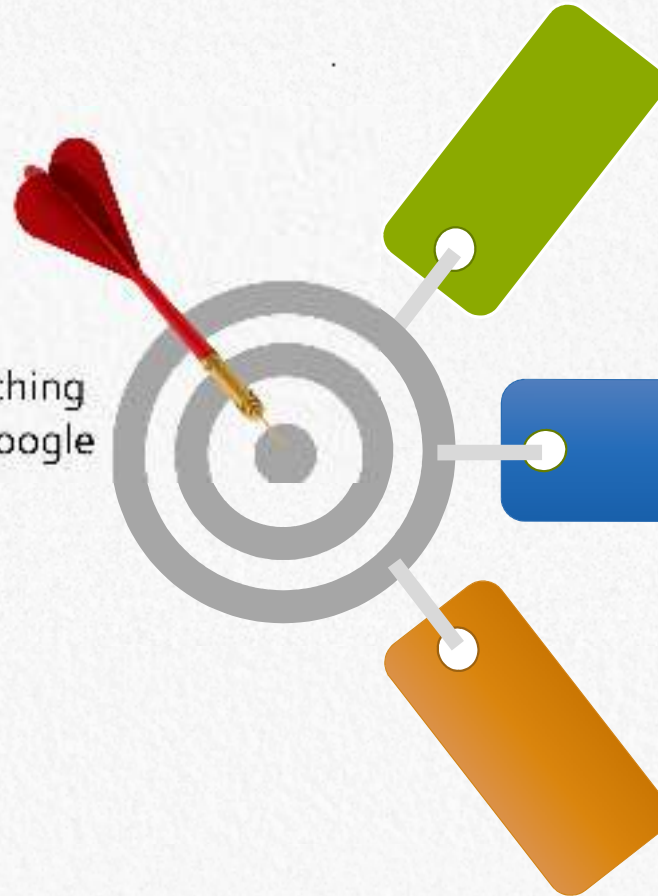

# Learning Outcomes

## Overall goal:

To demonstrate remote teaching by using Google Meet and Google Chrome Extension

**Objective 1:** to create and conduct a video conference with Google Meet

**Objective 2:** to introduce some useful Google Chrome Extensions to enhance online T & L activities

**Objective 3:** to provide example of gamification using webtools

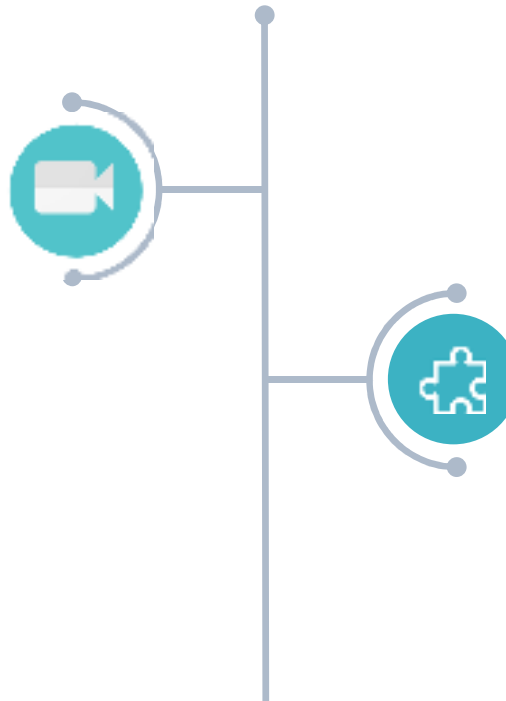

# The Flow

## Webinar Starts!

### Google Meet

- Setting-up
- Screen sharing
- Closed caption
- Recording

### Google Extensions & Webtools

- Enhance article reading experience
- Gamification
- Attendance
- (Grid view)

## Pear Deck

- Setting-up
- Gamified and interactive presentation slides

## Wrap-up

- Discussion
- Concluding remarks

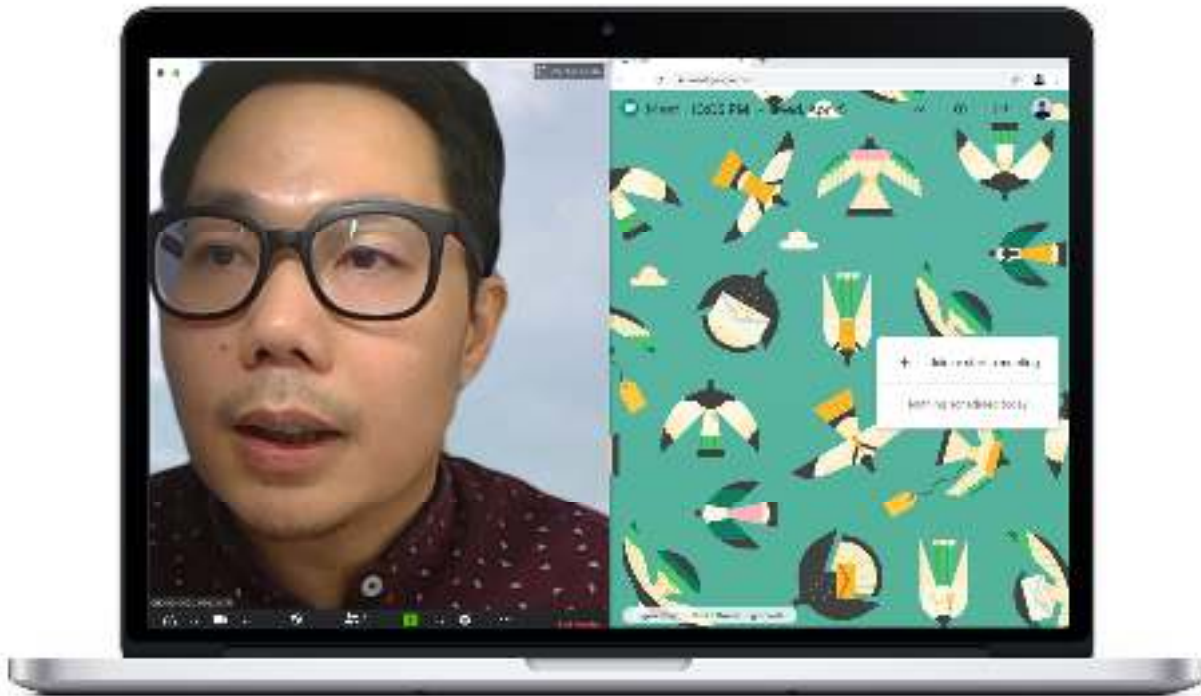

**Webinar Ends**

# The Reminder

# Additional Tips

**Create split windows:**

• *PC*

• *MacOS*
